Recently:

Susan L. Roeder, D.O., a 57-year-old Iowa-licensed physician who formerly practiced oncology and hematology in Iowa City and Mt. Pleasant, Iowa, and currently practices in Sioux City, Iowa, successfully completed the terms of her June 3, 2016, combined Statement of Charges and Settlement Agreement. On June 3, 2016, Dr. Roeder entered into a combined Statement of Charges and Settlement Agreement with Board. The Board charged Dr. Roeder with violating the laws and rules governing the practice of medicine in Iowa when she maintained pre-signed prescriptions which were intended to be completed and issued by another healthcare provider at an oncology and hematology outreach clinic in Mt. Pleasant. The Board issued Dr. Roeder a Citation and Warning and ordered her to pay a \$2,500 civil penalty and complete a Board-approved professional ethics program. Dr. Roeder demonstrated that she has paid the \$2,500 civil penalty and successfully completed a Board-approved professional ethics program.

When appropriate, disciplinary actions are reported to the National Practitioner Data Bank, an electronic repository administered by the U.S. Health Resources and Services Administration to track adverse license actions.
